## Sampling examples:

- Hot sauce, olive oils, dips, sauces, etc. being poured into a disposable cup, onto a disposable spoon for sample only. Sale of these is permitted if already packaged/made at a commercial facility. Repackaging on site requires a full permit.
- 2. Coffee sampling: may pour coffee into cups for sampling only. May not serve hot coffee for sale. That would require a full permit.
- 3. Jerky, cheese that does not require temperature control, chips, breads, fresh garlic, meats that do not require temperature control that are cut up for sampling only. Sale of these is permitted if already packaged/made at commercial facility. Repackaging these on site requires a full permit.
- Cakes, cookies, candies that are cut into pieces for sample only. Sale of these is permitted if already packaged/made at commercial facility. Repackaging on site requires a full permit.
- 5. No TCS food is to be sampled without prior approval from TAHD.
- Sampling that does not require a permit are those that package/pre make samples in a commercial facility, to bring on site. No handling is being done on site, and only samples are handed out. Prepackaged/commercially packaged food for sale only. If samples run out, you may not open any package to create more samples, that requires a full permit.
- Samples must be given by staff members. Patrons are prohibited from self-selecting samples using toothpicks, spoons, etc. All samples must be prepared by the licensed operator before being offered to the patrons.
